Flowers Victoria

Flowers Victoria is the peak body for flower growers, florists and key industry players who are committed to developing and promoting the cut flower industry in Australia and overseas.

Through the Victorian Farmers Federation, Flowers Victoria acts as the key advocate for flower growers on all matters relating to the industry, including; industry development, marketing, promotion, biosecurity, sustainable growing practices and the environment.

Flowers Victoria is a critical contributor to the national industry and is recognised by Government as a key industry participant, representing flower growers on key organisations.
